

Burnsafe Superheroes Storybook Series

Join Ben and Bella, the Burnsafe Superheroes, on their adventures. Learn about the different types of burns and how to prevent them, how to apply burn first aid, and have fun spotting the burn bandits.

A supporting teacher's guide is also available. It offers classroom activities for K-3 students and provides resources to extend learning from each standalone storybook.

To find out more, or to purchase the storybook, scan the QR code with your smartphone.
